

BITTU RAI

UI/UX Designer | Product Designer

Delhi, India | +91 9142515509 | bitturai21126@gmail.com | LinkedIn: www.linkedin.com/in/bitturai | Behance: <http://www.behance.net/bittu>

PROFESSIONAL SUMMARY

UI/UX & Product Designer with 4+ years of experience across startups, agencies, and international clients, specializing in Figma-based UI design, design systems, and end-to-end product design from wireframe to developer handoff. Delivered 100+ design projects spanning web, mobile, and brand identity, and built reusable component libraries that streamlined design-to-development workflows. Skilled in user research, usability testing, and AI-driven workflow automation. Seeking to bring a research-informed, systems-first design approach to a product team at scale.

SKILLS

- **UI/UX Design:** Figma, Wireframing, Prototyping, User Flows, User Research, Usability Testing, Design Systems, Responsive Design, Information Architecture
- **Visual & Brand Design:** Branding, Visual Identity, Typography, Layout Design, Adobe Photoshop, Adobe Illustrator, Canva
- **Frontend & Handoff:** HTML, CSS, WordPress, Developer Handoff
- **AI & Automation:** Prompt Engineering, ChatGPT, n8n, Workflow Automation

PROFESSIONAL EXPERIENCE

Freelance UI/UX & Product Designer — Independent

Jan 2023 – Present

- Delivered 100+ end-to-end design projects — including websites, mobile interfaces, landing pages, pitch decks, and brand kits — for startups, founders, and international clients.
- Owned the full product design lifecycle from discovery and wireframing through high-fidelity UI and developer handoff, maintaining consistent quality across concurrent client engagements.
- Partnered with an international development team on a WordPress-based project, designing the frontend experience and producing supporting brand assets including identity kits, one-pagers, and pitch decks.

UI/UX & Graphic Designer — Virtualyyst

Apr 2023 – Jan 2026

Promoted from freelance contributor to full-time Graphic Designer, June 2025

- Designed landing pages and product interfaces in Figma, establishing visual consistency across web and marketing surfaces and reducing design-to-development handoff time.
- Built a reusable UI component library adopted across the website and marketing materials, accelerating iteration and reducing rework on future design updates.
- Collaborated cross-functionally with developers and the marketing team to align product interfaces and landing pages with brand strategy.

ADDITIONAL FREELANCE & CONTRACT DESIGN EXPERIENCE

- **Creative Canvas** (Jan 2024 – Dec 2024): Partnered with startup and SMB clients on brand identity and visual systems, including social media creatives and marketing assets.
- **Adsstill Group** (Apr 2022 – Dec 2025): Produced photo and video creative assets for brand campaigns, maintaining quality and on-time delivery across concurrent client accounts.
- **StartupAccel** (Jun 2022 – Oct 2023): Created branding and campaign visuals for early-stage startups under tight deadlines.
- **Suvidha Foundation & Aashman Foundation** (Mar 2022 – Jul 2022, Volunteer): Designed awareness-campaign graphics and social content for two NGOs.

LEADERSHIP

Head, Branding & Media Committee — College Fest

2 Years

- Directed branding, social media, and promotional strategy for large-scale college events; later invited to join the college's core branding team.
- Recognized with the Best Innovating Committee Award (Head) and Most Creative Committee Award (Subhead) for branding and internal press leadership.

EDUCATION

Bachelor of Technology — Lingayas Vidyapeeth, Faridabad, India | 2021 – 2025
