Profile

Graphic Designer with 4+ years of experience in brand identities, marketing creatives, and social media that sells. I bring hands-on AI expertise to every project, delivering high-quality work faster without cutting corners. I've also built 2 years of freelance UI/UX experience (5+ clients) and Vibe Coding / AI product development experience (2 clients), both with strong client satisfaction. Design craft + AI speed, without needing multiple freelancers.

Work Experience

Graphic Designer & Website Developer — The Social Bling[Present]

- Design high-quality social media creatives, promotional graphics, and brand-focused visual content.
- Create AI-powered promotional videos, product advertisements, and engaging short-form video content.
- Design and develop responsive websites using AI-assisted workflows and modern web design tools.
- Maintain visual consistency across branding, social media campaigns, and digital platforms.
- Collaborate on creative concepts and digital experiences to strengthen brand presence and audience engagement.
