Profile

Product Designer and AI-assisted Vibe Coder with 4+ years of graphic design experience and hands-on experience in UI/UX design and website development.
I combine strong visual design fundamentals with AI-assisted workflows to turn ideas and Figma designs into functional, responsive websites.
Experienced in taking projects from UI/UX design to prototyping, Vibe Coding and functional website development.
Currently looking for Product Design, UI/UX, Vibe Coding and AI-assisted design internship or full-time opportunities.

SELECTED PRODUCT & VIBE-CODED PROJECTS

CLOUD RAPTOR - UI/UX Design + Vibe Coded Website Development

- Designed the complete UI/UX for a global cloud and digital-transformation consultancy.
- Created responsive layouts, visual hierarchy and structured user journeys.
- Translated the Figma design into a functional website using AI-assisted Vibe Coding.
- Managed the process from design concept to live website delivery.

THE SOCIAL BLING - UI/UX Design + Vibe Coded Website Development

- Designed the UI/UX for a digital marketing agency website.
- Created a structured multi-page experience focused on services, portfolio and brand communication.
- Converted the design into a responsive functional website using Vibe Coding.
- Used AI-assisted workflows to accelerate development and iteration.

SHOBHA MOTIVE - UI/UX Design + Vibe Coded Website Development

- Designed the complete UI/UX for an AI automation and web studio.
- Developed the website from Figma to functional implementation using Vibe Coding.
- Created responsive layouts, conversion-focused sections and clear information architecture.
- Combined visual design and AI-assisted development to deliver the live website.

PROFESSIONAL EXPERIENCE
