Delhi, India | +91 9142515509 | bitturai21126@gmail.com | LinkedIn: www.linkedin.com/in/bitturai | Portfolio: bittu-portfolio-delta.vercel.app | Github: <https://github.com/bitturai-automation>

PROFESSIONAL SUMMARY

UI/UX & Product Designer with 2+ years of experience working across startups, agencies, freelance projects, and international clients. Skilled in designing user-centered web and mobile experiences using Figma, from user flows and wireframes to high-fidelity UI, interactive prototypes, design systems, and developer handoff. Strong background in visual and graphic design with working knowledge of HTML, CSS, and WordPress, enabling effective collaboration between design and development. Focused on creating intuitive, visually refined digital experiences that balance user needs with business goals.

SKILLS

- **UI/UX Design:** Figma, UI Design, UX Design, Wireframing, Interactive Prototyping, User Flows, Information Architecture, User Research, Usability Testing, Responsive Design, Design Systems, Component Libraries.
- **Visual & Brand Design:** Adobe Photoshop, Adobe Illustrator, Canva, Branding, Visual Identity, Typography, Layout Design, Social Media Design, Marketing Creatives.
- **Frontend & Handoff:** HTML, CSS, WordPress, Responsive Web Design, Developer Handoff
- **AI & Automation:** ChatGPT, Prompt Engineering, AI-Assisted Design Workflows, n8n, Workflow Automation

PROFESSIONAL EXPERIENCE

Freelance UI/UX & Product Designer — Independent

Jan 2023 – Present

- Worked on UI/UX projects for Indian and international clients, designing responsive websites and digital experiences based on business and user requirements.
- Created user flows, wireframes, high-fidelity interfaces, interactive prototypes, and responsive layouts using Figma.
- Collaborated with an international development team on a WordPress-based project, contributing to frontend experience design and supporting visual assets.
- Prepared organized, developer-ready design files and collaborated during implementation to maintain consistency between design and the final product.

UI/UX & Graphic Designer — Virtualyyst

Apr 2023 – Jan 2026

Promoted from freelance contributor to full-time Graphic Designer, June 2025

- Designed landing pages and product interfaces in Figma, establishing visual consistency across web and marketing surfaces and reducing design-to-development handoff time.
- Built a reusable UI component library adopted across the website and marketing materials, accelerating iteration and reducing rework on future design updates.
- Collaborated cross-functionally with developers and the marketing team to align product interfaces and landing pages with brand strategy.

ADDITIONAL FREELANCE & CONTRACT DESIGN EXPERIENCE

- **Creative Canvas** (Jan 2024 – Dec 2024): Partnered with startup and SMB clients on brand identity and visual systems, including social media creatives and marketing assets.
- **Adsstill Group** (Apr 2022 – Dec 2025): Produced photo and video creative assets for brand campaigns, maintaining quality and on-time delivery across concurrent client accounts.
- **StartupAccel** (Jun 2022 – Oct 2023): Created branding and campaign visuals for early-stage startups under tight deadlines.
- **Suvidha Foundation & Aashman Foundation** (Mar 2022 – Jul 2022, Volunteer): Designed awareness-campaign graphics and social content for two NGOs.

LEADERSHIP

Head, Branding & Media Committee — College Fest

2 Years

- Directed branding, social media, and promotional strategy for large-scale college events; later invited to join the college's core branding team.
- Recognized with the Best Innovating Committee Award (Head) and Most Creative Committee Award (Subhead) for branding and internal press leadership.

EDUCATION

Bachelor of Technology — Lingayas Vidyapeeth, Faridabad, India | 2021 – 2025
